SISSON IS CAPTAIN

BY SOLID VOTE IS CHOSEN HEAD OF HOME GUARDS

69 SIGN FOR SERVICE

H. D. Snyder and Geo. Palfreyman, Lieutenants, With C. C. Hellmers Sergeant—Enroll New Members

Maryville company of Home Guards met last night at the armory with sixty-five men mustered into service, with four others signing the roll. In further perfecting the organization, Paul Sisson was elected captain, H. D. Snyder, first lieutenant, George Palfreyman, second lieutenant. C. C. Hellmers was appointed first sergeant by Captain Sisson. Corporals and other officers will be named at a later date.

Following the meeting and election of officers, Captain Sisson explained briefly some of the things that would be expected of the men. It was decided to hold weekly drill on Friday nights, with special work on Monday night for those who cared to get further instruction. Lieut. Harry D. Snyder announced that he would be glad to give instruction to as many as came on Monday night.

Capt. Sisson announced that a committee would be named to take up the matter of securing uniforms and equipment, with a second committee to make arrangements for permanent quarters for meetings and drill.

Before the men were dismissed they were lined up for size in squads, each man being expected to occupy the same position in squad and company drill.

The men are taking an enthusiastic interest in the organization and development of the Home Guards company and expect to have a membership soon of near one hundred members and no effort is going to be spared to make the company the crack Home Guards organization of the state.

The members of the Home Guard are:

William H. Allen, Albert J. Butherus, Arthur A. Brewer, Louis R. Burris, Ellwood Barrett, Bernard M. Chandler, Delmar E. Coffman, James P. Cummings, Solon C. Clark, Edwin C. Curfman, Marve M. 37 CHILDREN PERISH IN FIRE

Building of State Asylum Burns at Norman, Okla.—Victims Were Feeble Minded

Norman, Okla., April 13.—Between forty and fifty persons, thirty-seven of them children, were burned to death here this morning in a fire which destroyed several buildings of the state insane asylum. Others were burned and may die. Those burned to death had been removed from the buildings but ran back into the flames, being feeble minded. The origin of the fire is unknown.

BIG CROWD AT SALE

HUNDREDS PAY HIGH PRICES TO AID THE RED CROSS FUND

Two Long Lines of Tables Occupied Center of Main From Third to Fourth—Fine Livestock Sold

One of the biggest public auction sales ever held in Maryville is in progress this afternoon with hundreds of bidders pressing Auctioneer R. P. Hosmer hard to accept bids on the vast array of merchandise, livestock, canned fruits, cakes, corn, potatoes, chickens, implements, furniture and a thousand other things that are being sold for the benefit of the Nodaway chapter of the Red Cross.

Two long lines of tables occupy the center of Main street from Third to Fourth, filled with articles; others occupying places on the sidewalk at the side.

The sale started at 1 o'clock and is expected to be in progress the remainder of the afternoon. At three o'clock the crowd went to Fourth and Main, where thirty or forty head of fine live stock was sold, good prices being paid for everything offered. As late as four o'clock this afternoon country residents were still bringing

A CLASS IN GERMAN STRUCK

Tore Out the Pages of History From Their Study Books and Debated the Spy Problem

Sedalia, April 13.—The sophomore class in history in the high school at Cole Camp, southwest of this city, have struck. The pupils went on strike when the instructor called for a recitation of a chapter of German history. The teacher then announced a lecture on German history for the succeeding day and the students with one voice announced they would leave the class room if the lecture was delivered by the instructor, Miss Vivian Schwald. It was not delivered. Instead, the class of twenty engaged in a spirited debate on the German spy problem in the United States. Most of the members of the class tore the pages of German history from their study books.

10 TOWNSHIPS OVER

NODAWAY COUNTY IS SURE TO GET LIBERTY BOND QUOTA

A $10,000 SUBSCRIPTION

Largest Single Order Received Thus Far — Meetings at Scores of Schools Held Last Night

Ten of the fifteen townships in Nodaway county have exceeded their quotas in the third Liberty Loan, is officially announced today by Chairman W. C. Pierce. The figures, however, are not yet obtainable, but it is known that in some townships the excess subscriptions have been large. It will be some days before a tabulation of returns will be made. The largest subscription given this far, according to Mr. Pierce, is for $10,000. There are several for $5,000 each.

Last night meetings were held at scores of school houses throughout the county, the executive committee furnishing speakers for twenty-five meetings. Every available speaker in the county was on duty last night and the demand was greater than the supply.

With but few exceptions the workers have so far confined themselves to soliciting residents of the towns, but from now on the rural residents will come in for a share of attention. Speakers who have addressed meeting of farmers say that many of them are unfamiliar with the terms of the Liberty Loan, never having had occasion before to be concerned with government bonds, and at the meetings ask many questions.

Reports from the entire tenth federal reserve district show the states included in the district have subscribed as follows: Missouri $2,518,300; Colorado $2,409,550; Kansas $5,175,550; Nebraska $2,929,900; Oklahoma $1,081,900; Wyoming $960,150; New Mexico $330,450; total $18,534,200.

Soldier's Letters

GETS PLACE IN SANITARY CORPS

A Nodaway Boy Tells of Work at Camp Funston—Likes Army Life

County Superintendent Bert Cooper is in receipt of the following letter from Madison Wilson, a former Nodaway county school teacher:

Port Riley, Kans.,
April 7, 1918.

Dear Bert:—

I came over to the "Y" a little early this evening in order to write you a letter. I have about forty minutes before preaching services, but I am very slow in writing a letter and very likely I will not get it finished.

The "Y" is a great institution for soldiers and if I ever hear a person condemning it again it won't take me long to tell him just how much he knows about it and how he may soon change his opinion, and that would be to become a soldier. Each evening the buildings are crowded. For amusements and instruction they give us good singing, in which all of the boys help, moving pictures, speaking by prominent men and many kinds of games.

I am glad to hear that you are doing so well with the corn testing. I know that Nodaway's corn crop is going to be helped a great deal by you and many that are now trying to ridicule you will give you credit next fall.

I have been assigned to the sanitary detachment of the medical corps. We are to see to the cleanliness and healthfulness of a camp wherever we may be assigned. Some of our work will be to destroy garbage in order to prevent the bleeding of flies, to see that a camp is well drained, to see about the source and purity of water and any other work that would aid in keeping soldiers healthy. There are only four detachments in the whole U. S. army and only 26 men in each detachment. Parts of detachments 1 and 2 are in France now and others are at different camps in the U. S. We will be scattered to different places before long. Nos. 3 and 4 are here. I am in No. 4. Most of the men here in the sanitary detachment are high school graduates and a few are Missouri and Nebraska university men. And of course there are a few "ivory heads." This is considered preferable to the hospital

DIED AT ENSWORTH HOSPITAL

Mrs. W. A. Jones of Pickering Succumbed to an Operation—Funeral Sunday — Leaves Four Sons

Mrs. W. A. Jones, who lived at Pickering, died at 4 o'clock yesterday afternoon at the Ensworth hospital in St. Joseph following an operation for gall stones. The body was brought to Pickering today.

Funeral services will be held at 3 o'clock Sunday afternoon at the Pickering Methodist church, conducted by the Rev. C. S. Dayhoff. Burial will be in the White Oak cemetery.

Mrs. Jones is survived by four sons, Lester Jones of Cameron, Oren Edward, Clarence and James Jones of Pickering, her father, James Cline, who made his home with her, two sisters, Mrs. Willis Dalrymple, of Pickering, and the other living in Oklahoma, two brothers, one, Harvey Cline of Pickering and the other living in California.

BEDISON SCHOOL TERM ENDS

Interesting Exercises by Pupils Marked Close of School Year Thursday—Dinner On the Lawn

A very successful term of school was closed at Bedison Thursday, April 11, under the direction of Miss E. Chloe Davis. A short program had been carefully planned by the teacher and pupils for the day. The interested and energetic mothers had prepared a basket dinner which was served at the noon hour on long tables on the school house lawn.

There was an enrollment of 23 pupils in the Bedison school, four of whom are taking the rural eighth grade examination. They are: Cuba Thompson, Emma McGarry, Ruth Snyder and Gladys Alloway.

Miss Davis, teacher, has taught for five years in the rural schools and is one of the successful teachers of Nodaway county.

Men Needed for Marine Corps.

This district has been called upon to procure five hundred additional enlistments for the Marine Corps between now and May 1. This should be easy if we procure one man from each postmaster station.

Applicants eighteen (18) years old are now accepted; no consent of parents required.

Men of draft age must secure a release from their board in accordance with Section 151, S. S. R. This release must be attached to application blank when forwarded to this office for action.

Married men may be accepted with consent of wife; the wife to sign certificate before notary public or other official authorized to administer an oath. "I (name of wife) certify that I am not dependent on my husband (insert name of husband) for support beyond his pay and allowance as a private, and I consent to his enlistment in the U. S. Marine Corps." This certificate should be prepared in triplicate form; and the wife should sign "Helen E. Smith," "Mary A. Homer," as the case may be.

NAME H.S. WINNERS

FINALS LAST NIGHT FOR SUB-DISTRICT EVENTS

WILL BE HELD SAT. APR. 20

With Twenty-eight Towns Represented Pupils Will Try For Places at Annual Events at the Normal

The members of the high school who will represent the school at the sub-districts were chosen in elimination contests held last night, the following being announced by the judges as winners in the respective contests:

Oratory—Harold Houchens.

Declamatory—Mabel Raines.

Essay—Vivian Lyle.

Boys' extemporaneous speaking — Chas. D. Bellows, Jr.

Girls' extemporaneous speaking — Ruth Hankins.

Music—Mixed sextette: Blanche Alexander, Mary M. Condon, Annice Neal, Leska Wray, Russell Allen, Lee Maier and Ralph Yehle.

The contests decided last night were extemporaneous speaking for boys and girls and in music. The winners in the other classes had been previously decided. Each of the winners received gold medals and will take part in the sub-district contests announced to be held next Saturday night, April 20, at which time winners will be decided for entrance in the annual events to be held April 26-27 under the auspices of the Fifth District Normal school.

Maryville is in sub-district No. 1, with the following towns being eligible to make entries: Watson, Oregon, Craig, Skidmore, Burlington Junction, Savannah, Corning, Rock Port, Bigelow, Maryville, Mound City, Fairfax, Hopkins, Elmo, Fillmore, Maitland, Tarkio, Amazonia, Pickering, Quitman, Fortesque, Forest City, Westboro, Clearmont, Rosendale, Barnard, Graham and Bolckow.

FOOD CLASSES START MONDAY

Registration Rolls Are Still Open—300 Women Have Already Enlisted for Instruction Course

Miss Ora McMillen of the State Normal faculty, Miss Anna Bainum of the domestic science department of the High School, Miss Laura Curfman and Miss Katherine Carpenter went to Kansas City last night to spend today attending the demonstrations of the government training school for housewives.

The first regular class in the Nodaway county course will open Tuesday afternoon at 3 o'clock in the basement of the Elks club. There will be classes each Monday afternoon for the colored women, of which seventeen are registered.

The registration is not closed. It is highly essential that every woman taking the course take the first week's work given in this lesson that will be employed in later demonstrations. However, entry can be made any day and a place secured for either Tuesday, Wednesday or Thursday afternoon.

The rooms are nicely fitted up for use and every one who can help in the work has done so. In addition to the other contributions given, F. P. Robinson today subscribed $10 toward the expenses of the school, the Mary-

Furniture company has loaned dining room furniture, the Kessler hardware company has given kitchen utensils, H. L. Raines a clock, and the First Presbyterian church has loaned its portable blackboard. More than 300 women have signed for the course.

GERMAN LOSS REACHED 370,000.

The Hague, April 13.—That 370,000 Germans were killed in the first week of their big offensive on the western front is the text of a report printed today. It is said that twenty baskets, each measuring 16x24 inches in size, full of German soldiers' identification discs, have arrived at Peruwelz, Belgium, representing that number of dead.

Buys Grant City Studio.

Miss Jeannette Tate of Maryville and her mother, Mrs. M. G. Tate, were here the last of the week completing the trade for the Combs studio here. Miss Tate is an experienced photographer, having been in the Crow studio at Maryville for some time, and Grant City welcomes her since Mr. Combs' joining the colors left us without a photographer.—Worth Co. PASS IRISH CONSCRIPT BILL

Whether Military Conscription or Home Rule Will Be First is Big Public Question

London, April 13.—Whether military conscription or home rule would come first in Ireland was a big question today. The House of Commons, sitting in committee, passed the Irish conscription clause of the man-power bill by a majority of 165. The debate was marked by an eloquent plea by Arthur Henderson, laborite leader, that conscription be deferred until home rule is a reality.

FRENCH RUSH SUPPORT

If Situation Is Saved Foch Must Take the Offensive Quickly, Is Belief of Military Experts

Special to The Democrat-Forum.

Washington, April 13. — General Foch must take the offensive at some point on the western front within the coming forty-eight hours if the situation in extreme northern France is to be saved. Military experts here today are very certain of this. They declare the latest order of Field Marshal Haig, commanding the hard-pressed British forces, means his situation is most serious and that he has pressed all his reserves into use, and there are those who believe the American army sent by General Pershing into service are included.

Field Marshal Haig in his statement to "All Ranks of the British Army in France and Flanders" says in part:

"Many amongst us now are tired. To those I would say that victory will belong to the side which holds out the longest. The French army is moving rapidly and in great force to our support. There is no other course open to us but to fight it out.

"Every position must be held to the last man. There must be no retirement. With our back to the wall and believing in the justice of our cause each one of us must fight to the end. The safety of our homes and the freedom of mankind depend alike upon the conduct of each one of us at this critical moment."

GOVERNMENT TO SIEZE UNWORKED INDIANA FARMS

Lafayette, Ind., April 13. — Uncle Sam is going to turn farmer and till the fields of Indiana land owners who refuse to cultivate their farms. Confirmation of a report that at least one Hoosier farmer would not do any planting because "he didn't need the money and would have to pay an income tax if he did," resulted in the ruling by G. I. Christie, state food production director. It was announced that the government would either farm the land or rent it to persons who would.

DISPENSE WITH ELECTION TO BUY LIBERTY BONDS

Aurora, Colo., April 13.—This town has decided to forego its regular spring election in the interest of patriotism. The decision was made by the city council and the chairmen of local committees of all parties. All present office holders will hold over for another term. The money that would have been expended for spring elections will be divided between Liberty Bonds and good roads. Each fund will receive approximately $750.

Funeral Rites for Mrs. Laughlin.

Funeral services for Mrs. Mary Laughlin of Clearmont, who died suddenly at 1 o'clock yesterday at her home, will be held at 10 o'clock Monday morning at the Clearmont Methodist church, the Rev. Watts of Hopkins, assisted by the Rev. Welton of Skidmore, officiating. Burial will be in the Oak Hill cemetery.

HUNS GAIN GROUND IN ANOTHER BIG SMASH

Are Throwing Unprecedented Number of Troops Into Combat and Meeting Huge Losses In Effort to Gain Their Objective

Special to The Democrat-Forum.

London, April 13.—In addition to the continuous struggle raging on the northern battle front, there has been another flareup in the fighting east of Amiens, towards which city the Germans launched their original drive March 21. The Germans were unable to gain ground.

The interest for the time being is centered on the battle to the north, where the Germans are making utmost efforts to break through to the coast by throwing in an unprecedented number of troops into the combat and sacrificing men in unparalelled numbers in their efforts to gain their objectives.

Dents in the British front north of the Labasse canal are beginning to menace the British hold on Bethune, Bailleul, Hazebrouck and Ypres.

There is an unconfirmed report of the growing activity of the German navy and the Germans may plan an attack on the seas in conjunction with their double offensive on the land.

London, April 13.—The British counter offensive in the Festeubert sector of the great battle line along the Franco-Belgian frontier is gaining in strength and another advance of the British line noted by the war office is reported today. Heavy fighting has continued at Neuveglise and in the neighborhood of Wolverghen, where the Germans have been directing strong pressure in an effort to shake the hold of the British upon Messines ridge. A number of strong attacks were delivered by the Germans in the Loon district, but broke down under the firm resistance of the British.

(Festeubert is twelve miles south of Armentieres, which the British evacuated Wednesday).

Strengthened by Haig's stern order that "there must be no retirement," and with the knowledge that French troops are coming to the aid of British soldiers who are engaging the Germans, the British are holding out bravely against the overwhelming odds in one of the bloodiest battles the world has ever seen.

Paris, April 13.—The American and French troops repulsed a strong German attack in the Apremont forest sector last night.

Koser, St. Joseph; Mrs. Guy E. Stults and Mabel Monroe, both of Maryville; George A. and Gorden I. Monroe of Sioux City, Ia.; Albert of Lambert, Mont., and Jefferson and Ellis Monroe at home.

AS SAFE AS GIBRALTAR.

(By Ray Stannard Baker, writer and investigator; the real "David Grayson").

I look upon the Liberty Loan not so much as a duty, although it is a duty, nor as a favor to the government—an investment as safe as Gibraltar at a good rate of interest is surely no favor to anybody but the investor—I look upon it rather as an opportunity for us to get together—all of us—in a great and noble undertaking.

Mr. Wilson has asked us to help make the world "safe for democracy." Not all of us can fight. In my town of Amherst only about sixty men so far out of a population of 5,500 have actually gone into the army. That leaves 5,440 of us at home. The same proportion holds good in every town in America.

The Liberty Loan supplies us—the great mass of us who must remain behind — the opportunity of doing something vital, something really important in helping to win. We can lend a little of our money to the nation that the nation may send our boys to the front to fight the battles of liberty and democracy. If these young men—the best national asset we have—willingly offer their blood for the great cause, I, for one, welcome the opportunity of supporting them to the utmost.

FINE FOR RHEUMATISM!

Musterole Loosens Up Those Stiff Joints—Drives Out Pain

You'll know why thousands use Musterole once you experience the glad relief it gives.

Get a jar at once from the nearest drug store. It is a clean, white ointment, made with the oil of mustard. Better than a mustard plaster and does not blister. Brings ease and comfort while it is being rubbed on!

Musterole is recommended by many doctors and nurses. Millions of jars are used annually for bronchitis, croup, stiff neck, asthma, neuralgia, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

30c and 60c jars; hospital size $2.50

A Message from America's Roads

"SECURE certainty of service in Tested Tires. They give sure service because it is proven service. Their endurance and mileage have been proved in the one way to assure mileage to the motorist, on the car on the road."

Hearken to that 1918 message, the roads of America send American motorists. Last year Goodrich, launching six Test Car Fleets in six widely different regions of our country, took Goodrich Tires, and with light and heavy cars mauled them over sand, gravel and rock roads of plains, deserts and mountains, to try out—

GOODRICH TESTED TIRES

What those tires endured doubled Goodrich's pride in its tires. They fought America's roads through 4,178,744 tire miles. They conquered the roads of America in that phenomenal mileage, those BLACK SAFETY TREADS and SILVERTOWN CORDS.

Let American motorists listen to this message from America's roads. It means time and money saved them. They get lasting service with the tires that have won the title, "America's Tested Tires."

An official photograph of the club with which the German armies "finish off" wounded soldiers. 32,000 of these were recently captured by the Italians.

The Destruction of Civilization

This is in grim reality what we are fighting this war to prevent. The club pictured above—from an actual official photograph—might be the weapon of a savage cave man of five thousand years ago. It is in fact the weapon with which German soldiers finish off the enemy wounded who have fallen on the battlefield—on the battlefield on which American boys are fighting.

There is only one answer to make to such methods the defeat of the German Armies. America has taken up the sword to give that answer. Our Army is in France to help win this war on the battlefield—that civilization may be safe, that America may be safe.

You Can Have Your Share in America's Answer to German Savagery

The Third Liberty Loan is your opportunity. It is the most direct blow that can be struck at German military supremacy. It is the most powerful aid that can be given our soldiers in France. It means rifles and helmets and gas masks—the best protection for our men from German brutality. It means big guns and shells and airplanes—and VICTORY.

Invest TODAY in bonds of the Third Liberty Loan, and save the lives of American soldiers.

TO-DAY

(Editorial Notes by Arthur Brisbane)

This seems to be a bad year for men whose profession is fighting. Died within a few weeks of each other, John L. Sullivan, Robert Fitzsimmons, Terry McGovern, Mike Donovan and the latest, Charley Mitchell.

William Hohenzollern, please take warning.

—o—

William F. Portlock, No. 3901, Newport Avenue, Norfolk, Va., says: "I have selected 'The Freedom of the Press' for the subject of my graduation essay. Have you any subject matter on the affirmative side of this subject?"

Yes, we have. The thoughful young person will find it in an amendment to the United States Constitution reading as follows:

"Congress shall make no law abridging the freedom of speech OR OF THE PRESS."

—o—

It is fair to warn the young gentleman, however, that in times like these it is not safe to take the Constitution of the United States too seriously. The old gentlemen who wrote the Constitution thought that they knew what they meant. But you can find some modern judges and other officials who will tell you that those old men did NOT KNOW WHAT THEY MEANT—or, if they did know, much water has gone over the wheel since they were safely buried and part of the Constitution has been worn away.

—o—

Often enough the kaiser has said, "God is fighting on my side, at my side." The latest evidence of this partnership appears under the newspaper heading, "Seventy-five Killed and Ninety Wounded in Paris Church by a Shell Fired From German Long Range Gun."

—o—

The kaiser's boast of divine partnership and that dynamite shell traveling seventy miles to explode in a church on Good Friday constitute a valuable addition to religious history.

The church was filled with a crowd, chiefly of women and children, praying for their fathers, husbands and brothers on the fighting line and all uniting in a prayer for permanent peace.

Permanent peace came to many when the dynamite shell, directed, according to the kaiser, by Divine Will, exploded in the church, killed seventy-five and wounded ninety.

—o—

The kaiser would have felt prouder than ever of his dynasty and his Divine partnership if he could have seen the inside of that church after the shell exploded.

Old women that had come to pray for their sons lay bleeding. Children that had listened to the story of Christ's sacrifice for peace and good will were transported suddenly into the Presence that they had come to worship.

—o—

It says in the tenth verse of the eighteenth chapter of St. Matthew:

"Take heed that ye despise not one of these little ones; for I say unto you, that in heaven their angels do always behold the face of my Father which is in heaven."

What would be the kaiser's answer to this question.

Is that Father whose face the children always behold the same partner that helps you in your war and directs so well the aim of your long range gun?

—o—

There are two questions in this war and each attack, like the present German offensive, emphasizes their importance.

First, how long will it take for the United States to produce and put to work ten thousand flying machines and then fifty thousand? Second, will America and the Allies be able to make the new air weapon effective and silence Germany before Germany is able to make effective the other new weapon, the invisible undersea boat and starve England?

The great world's war is being waged to secure liberty to posterity. The debt of the war will fall upon the shoulders of the youth of today. The thrift propaganda is the first exercise toward training him to meet his future responsibility.

GETS PLACE IN SANITARY CORPS

(Continued from first page.)

work and I am well satisfied with it. I would have liked the hospital train work. They carry the wounded to the base hospital. They work on a train of sixteen coaches.

Many of the men, in fact, most of them, have been sent away from here already (I mean the ones that were brought here when I was). They were sent to all parts of the U. S. Some were sent to nearly every camp in the country and some to be started for England this week. They will be trained over there. Many of the trained men are leaving here and Funston.

I saw a large troop of negro infantrymen go through here this morning. They are located at Funston. They were sure a happy flock of "blackbirds." They make fine looking soldiers. They sure feel good in their uniforms. I think that they are ready for overseas. Just to take a look at the soldiers here when they are on parade it looks like that the kaiser was soon going to give up the ghost and, believe me, he will before we come back.

We, the M. O. T. C., are to give a parade next Thursday. We are to march in review before the major of this post. We have a parade here about every two weeks. I wish you could see one of those big reviews at Funston. The parade is about 30,000 strong down there.

No Man's Land, as you know, is the space between the opposing fighting forces. The litter bearers' work is to go into the trenches and over to No Man's Land after a battle with stretchers and carry off the wounded. They first get the slightly wounded, those than can be fit for soldiers again, and later get the others. The ambulance company with trucks then carry them back to the field hospital. This is about eight miles back of the firing line. The slightly wounded are repaired here and sent back to work later. Those that need further treatment are sent to the evacuation hospitals, which are some 20 or 30 miles from the firing line. Here they are treated and sent back to the front again if they can be repaired. The badly injured are sent to the base hospital and treated until they are able to be sent home.

I have had gas mask training the last two days. We will take training in putting them on for four or five days and then about Friday we will go through the gas room. It is quite a stunt to take one of these out of a closed satchel that hangs in front of you and put it on in six seconds. Our lieutenant told us that it wasn't likely that we would ever need masks, but that it might happen that we would be in the danger zone, hence we must know the combinations.

I am living in a tent now. I moved to my new home about two weeks ago. Six of us live in one tent. I like it fine. It is sided up about five feet on the sides and has a good floor. We have candle lights. We also have a small stove. This life is a healthy one. Plenty of good exercise, good food and open air. The dust gets bad enough some times, though, to give us the Kansas cough. We have had two good rains lately.

Well, I have written this on the installment plan. I began it on Sunday and here it is Tuesday evening.

This leaves me enjoying army life and the best of health.

As ever, your friend.

Shake Off That Grip

When Spring comes, with its changeable weather and your exposure, it is best to clear away all the symptoms left after an attack of grip. That evil disease leaves you weakened, and when its victim attempts to "do his bit" he exposes himself to the risk of a second attack, for which he is less prepared, and which may have graver consequences.

There's Danger in Delay

April and May are pneumonia months. In this time a weakened system is a constant source of danger, for the pneumonia and grip infections are in the air, and after a long winter the body is so clogged with waste it cannot resist them. Fortify the health, remove the catarrh, and improve the digestion.

For Quick Relief **PERUNA**

This reliable tonic is recommended to remove the waste from the body, counteract the catarrhal poisons and allay the inflammation that is catarrh, restore the regular appetite and tone up the entire system to resist disease. A well man is safe.

As a tonic after grip it has won many commendations, while its effectiveness in catarrhal conditions is unquestioned. Take no chances—Take Peruna.

Peruna Tablets are always ready to take. You may carry a box with you and ward off colds and chill. The liquid medicine in your home is a great safeguard. Protect your family.
